My son Petr (12 years old) – he says it was his greatest holiday experience that surpassed even the holiday in Greece. Your Bikepark simply rules – my son's dream come true, thank you!

— Marie V.

The thing I liked most at Lipno was the Forest Kingdom; there are many attractions, such as: the rope centre, goats paddock, two trampolines, and more.

— Marie

I have loved Lipno since my childhood... and so do my children... that's why we are happy to come back here and discover new action places like the Treetop Walkway and Forest Kingdom... thanks!
